Dear Pat:

I am embarrassed to see that I have not answered your letter of May 6 regarding additional information on the HP subjects. One of the reasons I have been ignoring you is that nothing is less glamorous and more troublesome than trying to reconstruct ancient history.

Somewhere not in my possession there is supposed to be a notebook which may contain the information you are asking for. It may take a long time to find it, but I will put someone to work on it and let you know if I have any luck.

I haven't seen Dave Bruner for some time but may do so in the next three or four weeks.

Sincerely yours,

Wright H. Langham
Group Leader
Biomedical Research
